ELE USAL Barcelona Program

Spanish Language Schools of University of Salamanca (ELE USAL) supports the global system of Spanish teaching schools for foreigners at University of Salamanca. This time we present a price list exclusively made for group of students, with exceptional conditions, and the possibility to combine a Spanish language course, from one week, at any of our five destinations in Spain: Barcelona, Bilbao, Estepona (Málaga), Gran Canaria and Mallorca.

In this catalogue you will find the general characteristics and prices of the program in Barcelona, as well as supplements, extra services, leisure program and general conditions in a very easy to understand format, since in most cases these services are common to all schools.

Regarding prices, the package includes, in all cases, the cost of registration, a general course of 10 or 20hrs/week and four free activities per week . For any variations in the program or to include activities or excursions, always check availability and prices when making the reservation. Everything is possible!

Group courses features

- All year round.
- Enrolment fee included in the price.
- From 8 students.
- Up to 4 cultural activities per week.
- Optional leisure program (including excursions and extra activities).
- Study material.
- Certificate of course complexion.
- Use of internet at school.

General Conditions

- 25% deposit the moment you make the reservation in order to guarantee the program.
- Complete payment must arrive at least 4 weeks before the program starting date.
- Prices do not include student personal expenses

Extra supplements

- Transfer service from/to airport.
- Linguistic tandem for language exchange.
- Possibility of including breakfast, half board or full board.

Extras services

- We adapt the number of classes per week to the group requirements. Ask for available options.
- Extra escorts are always welcome, ask for prices and availability.
- Activities and full/half day excursions available at extra cost. Ask for dates and offers.
- Different accommodation options: hotel, private apartment… etc, ask for availability and prices
